EFFORTS TO REDUCE RACIAL, ETHNIC, AND ECONOMIC ISOLATION

Connecticut law requires that school districts provide educational opportunities for their students to interact with students and teachers from diverse racial, ethnic, and economic backgrounds. This may occur through programs with other schools, distance learning, or other experiences. Below is the description submitted by this school of how it provides such experiences.

Webster Hill School has a diverse population representing families from over 30 countries. In an effort to unify and recognize our rich cultural heritage, the following initiatives are in place:

- Schoolwide assemblies are held where children perform by grade level. Some of the program each time celebrates diverse cultures.
- Translators Club spotlights the multilingual talents of our children through cultural presentations and opportunities to translate for families and visitors.
- The Parent-Teacher Organization offers many family events that bring our diverse community together.
- Our fifth graders attend a four-day overnight Outdoor Education Program to reduce isolation and develop a sense of community.
- Our Family Resource Center offers pre-school play groups, after-school enrichment courses, mom's groups and speakers that bring together our diverse families.
- Each month an Author's Tea is held to celebrate the writing accomplishments of children from all racial, ethnic and economic backgrounds. Family and friends are invited to attend.
- The Hillcrest Neighborhood Outreach Center (HANOC), is a center for families in the Piper Brook area of town that provides a free Homework Center, family counseling, parent support groups, scout programs, play groups, women's groups and parenting classes.
- Our choir, orchestra and band perform international music at our winter and spring concerts.
- We received a grant for a Sister School Project with a school in East Hartford. The exchange culminated in an assembly at both schools where children from both schools performed with an African drummer on native instruments.
- Our Dance Troupe is culturally diverse and integrates dance forms from other countries.
- Through our character education initiatives, students learn the value of diversity and respect for others.
- Students take on leadership roles through our Student Council and classroom governments. In the spirit of community support, students initiate projects to raise money or offer service to various organizations in the town and world community.
- The West Hartford Cultural Council brings performances to our school, which celebrates racial and ethnic diversity.
- We have a partnership (Exchange for Change) with the Gengras Center for Exceptional Children to bring together some of their special needs student population with ours.

EVIDENCE OF SUSTAINED IMPROVEMENTS IN STUDENT ACCOMPLISHMENTS

Below is a summary, submitted by this school, of the major trends in student performance and accomplishments that indicate sustained improvement over time. Also, areas of need are identified and plans to address these needs are presented.

Improvements in Student Performance and Achievement

Webster Hill School has made extraordinary strides toward improvement of student achievement since 1995.
